The Skeena River has a reputation for being the best Steelhead and salmon sports fishing river in the world. Every year anglers from all over the world come to test their skills against these amazing fish.

Our guided fishing season begins late March and goes through to late October. So whether you prefer fishing for spring Steelhead, record-breaking Chinook in July or lively summer run salmon and Steelhead in August/September we have it all.

Here's a snap shot of our 2015 season.
